

Testimonial

“Marion Trent of Creative Momentum has been a valuable marketing consultant to The Hollywood Reporter for the last several years. Her work in managing our marketing at the Sundance Film Festival has been exemplary. She has managed everything from our signage, to the distribution, event and the production of our participation on local television. Her professionalism, creativity, attention to detail and can do attitude have helped significantly raise our presence, visibility and image at this key entertainment industry event. I would highly recommend Marion’s marketing consultation services.”
